

Purchase LVL direct from Wesbeam

Merchants can now buy job lots – or even just one piece – of Wesbeam LVL directly from the only company that manufactures LVL in Australia, with a service guarantee of just 48 hours from placement of the order to dispatch.

This new offer to merchants is being supported by the appointment of Peter Parker as Wesbeam's Senior Sales Representative in WA.

Peter spent 20 years working with Austim as Building Products Manager. In that role he was responsible for the distribution of Wesbeam products since the first billet was pressed back in 2004.

His understanding of the building products industry combined with his knowledge of Wesbeam products makes him ideally placed to provide support and advice to Wesbeam merchants in WA.

One of Peter's first jobs will be to introduce merchants to the benefits of purchasing their LVL directly from Wesbeam.

Fast delivery, an extensive product range including lengths up to 12.6m available, and the ability to order anything from large job lots to individual beams are just some of the benefits of this new service.

Joanne Camilleri, who has also joined Wesbeam from Austim, will support Peter in his role. Joanne will be the main point of contact for processing customer orders direct from the factory

To find out more about purchasing Wesbeam LVL direct, call Peter on 0448 026 949 or email him at peter.parker@wesbeam.com
