

WESBEAM QUALITY POLICY

OUR ROLE IN EXCELLENCE

At Wesbeam, quality is more than a standard — it's our promise to our customers and our commitment to ourselves.

We proudly manufacture Laminated Veneer Lumber (LVL) to meet or exceed the requirements of the Australian and New Zealand Standard AS/NZS 4357.0. Our dedication is further demonstrated through active participation in the Engineered Wood Products Association of Australasia (EWPAA) Quality Control Policy and Product Certification Scheme. Our I-joist manufacturing follows the same rigour and commitment.

OUR COMMITMENT TO QUALITY

✓ **High-Quality Products**

We manufacture LVL and I-joist that meet or exceed customer expectations.

✓ **Robust Engineering Practices**

Our processes are built on sound engineering and are continuously reviewed and improved.

✓ **Total Quality Approach**

Our commitment to quality extends beyond production to all business and management systems. We support this with stringent Quality Control and Assurance programs.

KEY ELEMENTS OF OUR QUALITY POLICY

Clear Quality Objectives

We establish, communicate and implement measurable quality objectives at all levels.

Employee Training and Development

We provide ongoing training to implement our Quality Management System (QMS) effectively.

Correct Use of Branding and Certification

We ensure proper application of branding and certification on all our manufactured products.

WHS and Environmental Compliance

We ensure our facilities and processes meet or exceed all relevant Workplace Health and Safety (WHS) and Environmental laws and regulations.

Third-Party Reviews

We engage independent third-party reviews to assess performance and help us maintain compliance.

Continuous Improvement

We proactively identify and address emerging issues to continuously improve our Quality Management System (QMS) and the quality of all business processes.

Together, we ensure Wesbeam remains the trusted leader in top-quality LVL and I-joist products.

**LET'S KEEP BUILDING THE EXCELLENCE
EVERY MINUTE, EVERY HOUR, EVERY DAY!**
